FAMILY HUBS

FOCUS GROUP: WORKING WITH DAD'S AND MALE CARERS

- South Tyneside Early Help and Family Hubs are committed to an inclusive approach that proactively engages dads and male carers because they play such an important and influential role on children's lives, experiences and outcomes.
- If you would like to take part in a focus group, click the link below to pick a session and you will be sent the link to join.
- Please note each session will take place on Microsoft Teams.
