

ST JAMES CATHOLIC PRIMARY SCHOOL, HEBBURN

27 February 2024

Dear Parents and Carers,

Rebuilding Programme at St James

The roof mitigation work to our current school building is underway and will continue as planned. A reminder so far:

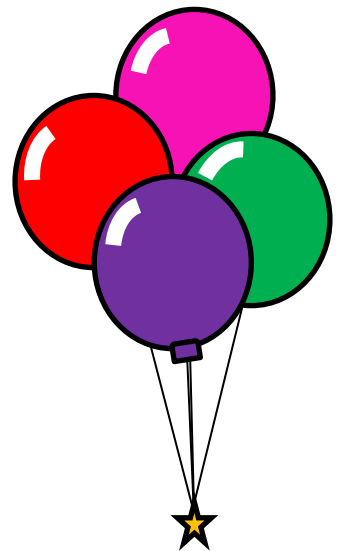

- A specialist structural engineer has designed an appropriate and safe solution that will allow the school to become fully operational again.
- School has now been packed up by contractors in order for work to begin.
- A contractor has now been named to complete the mitigation work which is due to begin on Monday 4th March 2024.

In addition to this we are **DELIGHTED** to announce that St. James has been added to the school rebuilding programme. We will provide further details on this announcement as soon as we have them.

Whilst a full rebuild is part of the long-term plan for our school, **all current works for the continued roof mitigation are still going ahead.**

Kindest Regards

Francesca Heslop
Head Teacher
